2	I am not really sure	11/9/2017 9:44 AM
3	All of those are worthwhile ministries. I am not familiar enough with the community to make more suggestions.	11/5/2017 3:26 PM
4	I am not sure since I am not that familiar with the St. John's community. I did read about a program of dresses for little girls who have never had one in the newspaper some time ago.-- a program for Helping Hands?	11/3/2017 4:12 PM
5	These are good things.	11/3/2017 7:08 AM
6	I think we need to continue concentrating on these programs even making them better. As we grow, we can add more programs.	11/2/2017 3:17 PM
7	We have to be careful we don't spread ourselves to thin with our level of membership. Better to do a few things well and make a difference.	11/2/2017 4:53 AM

15	I believe that Geneva is currently doing an excellent job serving the community	10/27/2017 7:08 AM
16	One thing that most impresses me about Geneva is the outreach and the opportunity we have to witness and care for the needs of those in the community.	10/26/2017 3:07 PM
17	We could have leaders from these organizations come in and share how Geneva's commitment is making a difference for them.	10/24/2017 1:56 PM
18	Our church does an impressive amount. Cannot think of anything to add for a church of our size.	10/23/2017 1:31 PM

## Q5 What are the growing edges within our own church – i.e. how might we improve what we're doing? (Ministries, Mission, Music, Connection, Celebration, Education, Stewardship, etc.)

1	Currents ads in the paper are outdated. A more modern look might draw a younger crowd. Also wish for an updated music selection.	11/11/2017 7:57 PM
2	It seems as if all mentioned above are growing and stretching	11/9/2017 9:44 AM
3	We need a healing service (see Book of Order).	11/5/2017 3:26 PM
4	Bible study? Perhaps in small groups.	11/3/2017 4:12 PM
5	Like many churches, we need to get out message out to the younger community.	11/3/2017 7:08 AM
6	Get new members involved as soon as possible. Emphasize the importance of showing up for Committee meetings and making them regular.	11/2/2017 3:17 PM
7	Are their connections we could make at the elementary school and middle school level that would give the church more exposure? Perhaps more outside speakers to lead educational sessions if budget allows. Doesn't need to be just studying books of the bible. Could be more on building relationships, handling stress, prioritizing your time, more life enhancement types of things. Handling grief, etc. Gathering groups to go to faith based movies. Watching movies and having discussion.	11/2/2017 4:53 AM
8	not sure	11/1/2017 8:02 PM
9	must draw the younger people and children like sponsor a cub scout pack	11/1/2017 3:09 PM
10	Since growing in size- desperately need more room, eg- choir room, FH storage for supplies Continued development of our children's ministry	11/1/2017 2:46 PM
11	Be smarter about how money is spent.	11/1/2017 1:26 PM
12	Sunday school for mid-age adults and k-5 needs life.	11/1/2017 1:26 PM
13	I'm to easily satisfied & don't have anything to mention right now.	10/27/2017 10:34 AM
14	I don't believe that any improvement is necessary.	10/27/2017 7:08 AM
15	Perhaps a little more information and education to make us aware of the the good things that the Presbyterian Church (USA) is doing outside of our local community.	10/26/2017 3:07 PM
16	The church has no strategic growth plans. No plans for updating and/or modernizing. Upgrades/plans are fragmented with fragmented results.	10/24/2017 1:56 PM
17	Provide opportunities for everyone to be involved in some way, beyond worship.	10/23/2017 1:31 PM
18	I would love to see some more upbeat, contemporary music in the service. The choir is good. Just the song selection is not very interesting. Organ is way too loud and overused. Organ drowns out the choir. Non choir songs go on way too long. I feel like I am at a funeral sometimes.	10/23/2017 12:24 PM
19	More opportunities for younger married couples and those with younger children.	10/22/2017 3:44 PM
20	More focus on Sunday school or Children's Church for young families with preschool/grade school children	10/22/2017 6:24 AM
21	not sure, would suggest offering a more modern service, but we tried that and it didn't bring many people. Maybe mix up the style of music to include some current style.	10/20/2017 11:36 AM
22	Events and worship to attract younger families	10/20/2017 10:00 AM

23	Communicate more. I would like to see new member's name and photo in the monthly newsletter. Have a picture of each elder and deacon in the newsletter. Have a space in the newsletter for monthly member input. Put the needs board items on our web page and/or the newsletter. Then follow-up with a special interest story about how a need was met.	10/20/2017 9:07 AM
24	Education for the younger generation to bring in the parents and grow the younger generation in the church to help the church grow.	10/20/2017 8:18 AM
25	Our music is incredible we could not have this without Fred.	10/19/2017 8:57 PM
26	Add more current music, we have a great choir but need them to sing some of the new rocking music	10/19/2017 7:32 PM
27	Community connection	10/19/2017 7:19 PM
28	I may be too new to know of any ways we could grow these things, I'm still quite impressed by all of them.	10/19/2017 4:56 PM
29	Perhaps a visible and supportive relationship with a missionary, or missionaries, who are serving in various locations in the world.	10/19/2017 3:38 PM
30	Would like to continue to move toward more current music and less of the old hymns.	10/19/2017 3:15 PM
31	Stay true to our beliefs, not doing something just because it's trending on FACEBOOK!	10/19/2017 2:30 PM
32	No suggestions	10/19/2017 1:51 PM
33	Improve communication	10/19/2017 1:20 PM
34	Have to think about this. I would enjoy seeing mission trips for any 18 and above to help out in areas of our country, or others, that need help whether it is a medical trip, spiritual offering or help rebuilding areas hit by hurricanes, etc.	10/19/2017 11:58 AM
35	Opportunities for the people working full time with extra home responsibilities to help.	10/19/2017 11:40 AM
36	doing well.	10/19/2017 11:07 AM
37	n/a	10/19/2017 10:44 AM
38	The adult education program needs improvement	10/19/2017 10:44 AM
39	I like what we do. We could do a better job of plugging in new members, but some folks don't want to jump right in, they want to see where they fit, first.	10/19/2017 10:43 AM

6	I think new people would be attracted to a service that is uplifting and relevant so we are on the right path. I feel younger people are less interested in rituals and long bible readings that are hard to understand so they should be paraphrased as much as possible. Music ministry is important. Is there a tagline of sorts we could develop to emphasize that Geneva is relevant and helps make sense of your everyday life?	11/2/2017 4:53 AM

13	For the most part, our church does not offer anything that other churches are not offering. What we could offer is an invitation to come and worship. Personal and through social media. We probably need to incorporate more contemporary components of worship in our services, starting with music.	10/24/2017 1:56 PM
